

35th SADE course 2018 – OSLO, NORWAY

OESOPHAGUS: From diagnosis to advanced endoscopic therapy

Thursday den 18th January 2018

| | | | |
|--------------------|-------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|--------------------------------------------|
| 8.30-9.00 | Registration | | Chairs |
| 9.00-9.15 | Welcome | Thomas de Lange (N) Centre for Postgraduate Medical Education, Oslo University Hospital, University of Oslo | Thomas de Lange |
| 9.15-09.30 | Oesophagus; anatomical landmarks and classifications(LA Classification, Prague classification) | Thomas de Lange (N) Centre for Postgraduate Medical Education, Oslo University Hospital, University of Oslo | |
| 9.30-12.30 | Barrett oesophagus: Detection and treatment of neoplastic lesions | | |
| 9.30-9.50 | Technics for detection and assessment of neoplastic lesions | Francisco Baldaque Silva, Gastro Center Karolinska, Karolinska University Hospital, Sweden | Gabriele Wurm Johansson Per Ejstrud |
| 9.50-10.05 | Pathological classification of lesions and need for second opinion | Aage Erichsen, Department of Pathology, Oslo University Hospital, Ullevål | |
| 10.05-10.35 | Guidelines and quality of Barrett surveillance | Jes Vogt (DK) Department of Surgery, Aalborg University Hospital | |
| 10.35-11.15 | Coffee and quiz | | |
| 11.15-12.15 | Endoscopic treatment of dysplasia and early cancer in the oesophagus State of the art | Raf Bisschops, Department of gastroenterology, University Hospitals, Leuven, Belgium | Gunnar Qvigstad Birgitte Seip |
| 12.15-13.15 | LUNCH in the exhibition area | | |
| 13.15-13.45 | Endoscopy – video cases | Truls Hauge & his team Department of gastroenterology, Oslo University Hospital, Ullevål, Norway | |
| 13.45-16.45 | Oesophageal cancer assessed by the multidisciplinary team | | |
| 13.45-14.05 | Preoperative staging of Oesophageal Cancer | Kjersti Aasand, Department of Radiology, Oslo University Hospital, Norway | Tom Glomsaker Ellen Melsom |
| 14.05-14.50 | State of the art Curative treatment for oesophageal cancer | Magnus Nilsson (S) Gastro Center Karolinska, Karolinska University Hospital, Sweden | |
| 14.50-15.30 | Coffee and quiz | | |
| 15.30-16.00 | Strategies for endoscopic rescue after surgical complications | Magnus Nilsson Gastro Center Karolinska, Karolinska University Hospital, Sweden | Finn Møller Pedersen Khanh Do-Cong Pham |
| 16.00-16.20 | Adjuvant treatment | Marianne Nordmark (DK) Department of Oncology, Aarhus University Hospital | |
| 16.20-16.45 | Endoscopic palliative treatment | Per Ejstrud (DK) Advanced Endoscopy Unit, Department of Surgery, Aalborg University Hospital | |

Friday 19th January 2018

| | | | |
|--------------------|-----------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------|-------------------------------------|
| 08.30-13.45 | Benign oesophageal diseases | | |
| 8.30-8.50 | Gastro-oesophageal reflux disease | Jan Gunnar Hatlebakk, Department of Gastroenterology, Haukeland University Hospital, Bergen | Christian Rushfeldt Truls Hauge |
| 8.50-9.10 | Eosinophilic oesophagitis - Diagnosis and treatment | Marie Carlson, Department of Medical Sciences, Gastroenterology Unit, Uppsala University Hospital | |
| 9.10-10.35 | Dysphagia Symptoms and diagnosis | | |
| 9.10-10.00 | State of the Art Diagnosis and management of achalasia | Raf Bisschops, Department of gastroenterology, University Hospitals, Leuven, Belgium | Khanh Do-Cong Pham Tom Glomsaker |
| 10.00-10.15 | Achalasia in a MDT meeting | Helge Evensen, Department of gastroenterology, Oslo University Hospital, Ullevål, Norway | |
| 10.15-10.35 | Strategies for endoscopic removal of foreign bodies in the oesophagus | Vemund Paulsen, Endoscopy Unit, Department of Gastroenterology, Oslo Univeristy Hospital Rikshospitalet | |
| 10.35-11.05 | Coffee + Quiz | | |
| 11.05-12.15 | Benign Oesophageal strictures | | |
| 11.05-11.30 | Aetiology and endoscopic assessment of benign oesophageal strictures | Troels Havelund (DK) Department of Gastroenterology, Odense University Hospital | Ellen Melsom Per Ejstrud |
| 11.30-11.55 | Endoscopic treatment options for benign oesophageal strictures | Saana Andersson, Clinic of General Thoracic and Esophageal Surgery, Helsinki University Central Hospital | |
| 11.55-12.15 | Caustic injury of the oesophagus 15 min | Kim V Ånonsen, Department of gastroenterology, Oslo University Hospital, Ullevål, Norway | |
| 12.15-13.15 | Lunch in the exhibition area + Quiz | | |
| 13.15-14.00 | Endoscopy – video cases | Truls Hauge & his team Department of gastroenterology, Oslo University Hospital, Ullevål, Norway | |
| 14.00-14.15 | SADE research committee | Urban Arnelo, Department of Surgery, Huddinge University Hospital, Stockholm, Sweden | Urban Arnelo |
| 14.15-14.45 | Coffee + quiz | | |
| 14.45-15.15 | Quiz results and prizes | VIDEO CASES | Birgitte Seip |
| 15.15-15.30 | Closing remarks - SADE 2019 | Thomas de Lange, Centre for Postgraduate Medical Education, Oslo University Hospital, University of Oslo | |
